The World.

If you misdirect a letter and think
of your error just after you have
dropped the letter into a box, don't
waste time waiting for the postman
and asking him for it to let you cor-
rect your mistake. He won't do it;
the law does not permit him. You
must call at the station to which the
letter is going and explain the matter
to the clerk in charge. He will redi-
rect the letter for you if you give him
the correct address in writing.

To Soften Paint Brushes.

Vinegar heated to the boiling point
will soften paint brushes that have be-
come dry and hard.

Elastic Concrete.

Elastic concrete ties of great
strength, holding nails and bolts bet-
ter than wood, are claimed as a new
German railway product. Ties of iron
and steel have been used to some ex-
tent for many years, but are much
more rigid than wood and otherwise
less satisfactory, and the reinforced
concrete ties hitherto tried have
proved disappointing. The new con-
crete is made from a mixture of as-
bestos fibers and cement.
